To Whom it may Concern,

I am writing you concerning a sponsorship opportunity with the 2020 Bhakta Open. I know that your Corporation has as its mission a desire to give back to the local community, and we greatly appreciate your support. Bhakta Open engages organizations, corporates and individuals from USA who are Indian origins and globally as partners and supporters. We initiated the Integrated Community Development Program and undertaking that seeks to rejuvenate slums in India into vibrant neighborhoods. Bhakta open will work with slum residents, children, women, youth and vulnerable people in urban and rural areas. It will address multiple needs of the social economically vulnerable with one-stop solutions, through which slum residents have access to basic services for holistic growth. We will collaborate with the communities, specially the youth to undertake their upliftment programs. Communities will co-invest with our organization and donors for the program implementation and scaling-up. Our current planned activity is charity Golf tournament to be held in Palm Springs, CA. We are anxiously looking forward to even greater success at this year's event, which will be held on May 7th & 8th 2020.
